A Tribute Fund - the special way to remember a loved one

The Forever Friends Appeal understands the impact that the loss of a loved one can have on the whole family, friends and colleagues. Knowing that many of us find comfort when something positive can arise from such a sad time, The Forever Friends Appeal have introduced a special way to pay tribute to our loved ones, whilst supporting the Appeal to provide the best medical care for patients at the Royal United Hospital.

Setting up a 'Tribute Fund' in the name of someone special to you will be permanent, therefore providing everyone with the opportunity to honour their memory and to make a lasting contribution to the Fund now, and as far into the future as they wish.

Whilst supporting The Forever Friends Appeal in raising £10 million for state-of-the-art equipment for The Royal United Hospital, your Tribute Fund will allow everyone to have a 'focus' for their fundraising efforts and will be very personal to them.

Your Fund can be dedicated to raising monies for a particular area (for example Children, Cancer, Critical Care and Cardiology) or even specifying a piece of equipment that a department connected to your loved one urgently requires.

There are many ways you can donate to your Tribute Fund with the help of The Forever Friends Appeal.

- ♥ ***Making a single or regular donation***
- ♥ ***Acknowledging special anniversaries or dates in the year***
- ♥ ***Sponsored events or participating in Appeal events***
- ♥ ***Organising your own fundraising event with the help of friends, family and colleagues.***
- ♥ ***Group donations***

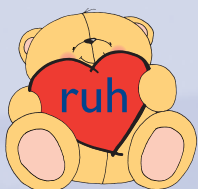

You may also wish to help others by sharing your stories and ideas in our newsletter. Whatever you decide, The Forever Friends Appeal will be there to support you.
